

Thank you for visiting. We are currently in the process of rebuilding our website, so please visit our facebook page at www.facebook.com/camelothills for current information.

Just a little about us. We are a small dairy goat farm located in the Pine Belt of Mississippi, just about 15 miles north of Meridian, MS. We currently raise Alpine and Saanen dairy goats, both Swiss type breeds.

At Camelot Hills we sell handmade Goat Milk products such as Soaps and Lotions under the brand name Merlin's Naturals. We do ship! You can find us on ebay here: <https://www.ebay.com/str/fromthehill>

We currently maintain a small farm with low numbers in order to focus on Quality and the Improvement of our herd through a careful and consistent breeding program. Artificial Insemination is a big part of our breeding program using the finest sires we can find to get the best results possible. We often have kids for sale and the occasional adult as well.

Some recognizable sires we have used are: Redwood Hills Tribute Rhythm, Willow Run Atlas Remus, Iron Rod Color of Dreams. Our foundation does come from local places such as Saroco Farms, Sweet Chariot for Alpine and our first Saanen from Chene Blanc off of their Noble Springs line.

If you are interested in obtaining one of our goats please contact jason@camelothills.net or by phone at 601-938-6562 For Goat Milk Products please use our ebay link or contact us on our facebook page.
